Foreword

We, of the 1959 yearbook staff, have worked steadily for many months to produce this volume. The future years will bring new faces and changes to the school scene, but there shall be for us this record of the friends we knew, the things we did, and the memories that are still dear to us. We would like to sincerely thank all the faculty, students, and friends who helped to make this book possible. Now we humbly present to you, students and faculty of Nicholas Blackwell, your 1959 Panther Parade.
